## ASSISTED LIVING

The care that each resident receives at Carolina Gardens is unique to his or her needs. Each resident is assessed upon move-in and regularly throughout thereafter. This ensures our residents are always receiving the proper care for their needs. Our focus is on overall wellness and supporting independence.

### Benefits of Assisted Living

- 1. Safety.** Our number one priority is safety of our residents, and our communities are equipped with safety railings, safety bars, and a trained staff.
- 2. Medication Management.** Through your physician's orders and our preferred pharmacy, we can take care of ordering, storing and administering medications.
- 3. Daily Activities & Outings.** Our Life Enrichment Director gets to know each resident and adds new activities based on resident interests and likes.
- 4. Maintenance-Free Living.** Residents will never have to worry about a “honey-do” list like replacing light bulbs or landscaping, or mowing grass. We also provide weekly housekeeping and laundry services. We take complete care of the community inside and out.
- 5. Fresh, Nutritious Meals.** Every day we offer 3 nutritious and delicious meals plus snacks in our cozy restaurant-like dining area.

## ALONG THE JOURNEY Memory Care Program

Carolina Gardens is the perfect place for those with memory impairments, such as Alzheimer's and Dementia, and require additional care and attention. Our memory care wing features an enclosed courtyard where residents can remain safe and go outside for fresh air or family visits.

Along the Journey, our memory care program, helps both residents and families transition into this new chapter of life. Our staff, specifically trained in Alzheimer's and Dementia care, is available 24/7. Every resident will have a flexible care plan that includes activities to meet the needs, interests and capability.

## LIFE ENRICHMENT

Our life enrichment director meets with new residents to get to know their interests and hobbies and creates a program where everyone can participate. With a balance of social, mental, physical and spiritual events, our life enrichment program is part of a resident's overall wellness. Popular activities include luncheons at Sweet Water Church, cooking classes, educational opportunities, a Dementia Support Group and more!
