## ASSISTED LIVING

The care that each resident receives at Carolina Gardens is unique to his or her needs. Each resident is assessed upon move-in and regularly thereafter. This ensures that our residents are always receiving the proper care for their needs. Our focus is on overall wellness and supporting independence.

### Benefits of Assisted Living

- 1. Safety.** Our number one priority is safety of our residents, and our communities are equipped with safety railings, safety bars, and a trained staff.
- 2. Medication Management.** Through your physician's orders and our preferred pharmacy, we can take care of ordering, storing and administering medications.
- 3. Daily Activities & Outings.** Our Life Enrichment Director gets to know each resident and adds new activities based on the resident interests and likes.
- 4. Maintenance-Free Living.** Residents will never have to worry about a “honey-do” list like replacing light bulbs or landscaping, or mowing the grass. We also provide weekly housekeeping and laundry services. We take complete care of the community inside and out.
- 5. Fresh, Nutritious Meals.** Every day we offer 3 nutritious and delicious meals plus snacks in our cozy restaurant-like dining area.
