ASSISTED LIVING

The care that each resident receives at Carolina Gardens is unique to his or her needs. Each resident is assessed upon move-in and regularly thereafter. This ensures our residents are always receiving the proper care for their needs. Our focus is on overall wellness and supporting independence.

Benefits of Assisted Living

- 1. Safety.** Our number one priority is safety of our residents, and our communities are equipped with safety railings, safety bars, and a trained staff.
- 2. Medication Management.** Through your physician's orders and our preferred pharmacy, we can take care of ordering, storing and administering medications.
- 3. Daily Activities & Outings.** Our Life Enrichment Director gets to know each resident and adds new activities based on resident interests and likes.
- 4. Maintenance-Free Living.** Residents will never have to worry about a "honey-do" list like replacing light bulbs or landscaping, or mowing grass. We also provide weekly housekeeping and laundry services. We take complete care of the community inside and out.
- 5. Fresh, Nutritious Meals.** Every day we offer 3 nutritious and delicious meals plus snacks in our cozy restaurant-like dining area.

ROOM FEATURES of Carolina Gardens

Our community activities director meets with new residents individually to complete detailed activity profiles, learn about their interests, and develop plans to meet their particular needs.
