CAROLINA GARDENS

Senior Living at Laurens

An Assisted Living Community

“My husband became a part of the Carolina Gardens family in 2013 due to Lewy Body Dementia. He soon became very comfortable with the staff and got along very well with the residents who very quickly became a part of our family. After his death, I still go back to visit with those special people who have helped me more than they will ever know.”

JOANNE, FAMILY MEMBER

ASSISTED LIVING

The care that each resident receives at Carolina Gardens is unique to his or her needs. Each resident is assessed upon move-in and regularly thereafter. This ensures our residents are always receiving the proper care for their needs. Our focus is on overall wellness and supporting independence.

Benefits of Assisted Living

- 1. Safety.** Our number one priority is safety of our residents, and our communities are equipped with safety railings, safety bars, and a trained staff.
- 2. Medication Management.** Through your physician’s orders and our preferred pharmacy, we can take care of ordering, storing and administering medications.
- 3. Daily Activities & Outings.** Our Life Enrichment Director gets to know each resident and adds new activities based on resident interests and likes.
- 4. Maintenance-Free Living.** Residents will never have to worry about a “honey-do” list like replacing light bulbs or landscaping, or mowing grass. We also provide weekly housekeeping and laundry services. We take complete care of the community inside and out.
- 5. Fresh, Nutritious Meals.** Every day we offer 3 nutritious and delicious meals plus snacks in our cozy restaurant-like dining area.

LIFE ENRICHMENT

Our Life Enrichment Director meets with new residents individually to complete detailed activity profiles, learn about their interests, and develop plans to meet their particular needs. Our outings consist of attending local college baseball games, going to parks and lakes for picnics. We also go to the Greenville Zoo, and head to North Carolina to pick apples and to see the fall leaves change. We have also taken the men to the lake for a day of fishing and the ladies for a lunch and a pontoon boat ride.

ROOM FEATURES

The average square footage of our apartments is 275 with faux wood vinyl flooring in the living areas and a faux vinyl tile in the bathrooms. All rooms are painted a neutral color with window blinds.

We have a front porch where our residents enjoy rocking in the Carolina sunshine. We also have a back patio with tables and chairs. We have hosted a 4th of July BBQ, a Memorial Day BBQ, a family cookout with a local band playing. Our residents enjoy eating popsicles on warm days on the back patio. We have hosted local school children on the patio to help with planting flowers and planting our vegetable garden.
