## ALONG THE JOURNEY Memory Care Program

Carolina Gardens is the perfect place for those with memory impairments, such as Alzheimer’s and Dementia, and require additional care and attention. Our memory care features an enclosed courtyard where residents can remain safe and go outside.

Our memory care residents are compassionately cared for by our staff who have been specifically trained to care for elders with Alzheimer’s and Dementia 24-hours a day, 7-days a week. Each resident will have access to optimal care and an activities program designed for their needs, interests and capabilities.

## LIFE ENRICHMENT

Our Life Enrichment Director meets with new residents to learn about their interests and hobbies. One of our highly attended events is our family night, typically hosted every 6 weeks. We also partner with community services such as the local police department who presents safety events. Our residents also continue to venture out into the local community 2-3 times a week for shopping, trips to local parks and restaurants.
