## OUR SERVICES

The care that each resident receives at Harbor House is unique to his or her needs. Each resident is assessed prior to move-in and regularly thereafter. This ensures our residents are always receiving the proper care for their needs. Our focus is on overall wellness and supporting independence.

### Benefits of Assisted Living

- 1. Safety.** Our number one priority is safety of our residents, and our communities are equipped with safety railings, safety bars, and a trained staff.
- 2. Medication Management.** Through your physician’s orders and our preferred pharmacy, we can take care of ordering, storing and assistance with medications.
- 3. Daily Activities & Outings.** Our Life Enrichment Director gets to know each resident and adds new activities based on resident interests and likes.
- 4. Maintenance-Free Living.** Residents will never have to worry about a “honey-do” list like replacing light bulbs or landscaping, or mowing grass. We also provide weekly housekeeping and laundry services. We take complete care of the community inside and out.
- 5. Fresh, Nutritious Meals.** Every day we offer 3 nutritious and delicious meals plus snacks in our cozy restaurant-like dining area.

### ROOM FEATURES

Our spacious private rooms are 285.7 sq ft. with a large bay window, a small kitchenette with cabinets, a microwave, and mini fridge. French doors lead from every room to a private outside patio area. Common areas throughout the building include a library, billiards room, country store, and a salon.

### DINING

Our dining experience is made special because we cook to order. Servers take residents orders individually so every meal is made to feel like fine dining. We work with each resident to discover their dietary needs, and we keep track of resident likes/dislikes and allergies in our kitchen.

## LIFE ENRICHMENT

Our community activities director meets with new residents individually to complete detailed activity profiles, learn about their interests, and develop plans to meet their particular needs. Popular activities include cooking classes, crafts, weekly shopping trips, yearly fishing trips, and boat rides to Florida’s beautiful Rainbow Springs.
