An Assisted Living & Memory Care Community

“My 89 year old mother was cared for in an exceptional manner from day one. I found kindness, compassion, and gentle spirit from every person there. The director helped us with a difficult situation, the caregiver staff was friendly and emotionally invested in her. I was completely sure that every day was pleasant for my mother until the end of her life.”

OUR SERVICES

The care that each resident receives at Harmony House is unique to his or her needs. Each resident is assessed upon move-in and regularly thereafter. This ensures our residents are always receiving the proper care for their needs. Our focus is on overall wellness and supporting independence.

Benefits of Assisted Living

- 1. Safety.** Our number one priority is safety of our residents, and our communities are equipped with safety railings, safety bars, and a trained staff.
- 2. Medication Management.** Through your physician’s orders and our preferred pharmacy, we can take care of ordering, storing and assist with medications.
- 3. Daily Activities & Outings.** Our Life Enrichment Director gets to know each resident and adds new activities based on resident interests and likes.
- 4. Maintenance-Free Living.** Residents will never have to worry about a “honey-do” list like replacing light bulbs or landscaping, or mowing grass. We also provide weekly housekeeping and laundry services. We take complete care of the community inside and out.
- 5. Fresh, Nutritious Meals.** Every day we offer 3 nutritious and delicious meals plus snacks in our cozy restaurant-like dining area.

ROOM FEATURES

Our open floor plan studio rooms are built for memory care residents. A beautiful partially covered court yard area was designed specifically for our memory impaired community.

DINING

We take special precautions to accommodate residents’ dietary needs, and we keep track of resident likes/dislikes and allergies in our kitchen.

MEMORY CARE PROGRAM

Harmony House is designed for those who have memory impairments, such as Alzheimer’s and Dementia, and require additional care and attention. We offer an enclosed courtyard where residents can remain safe and go outside for fresh air or family visits.

Our memory care residents are compassionately cared for by our staff who have been specifically trained to care for elders with Alzheimer’s and Dementia 24-hours a day, 7-days a week. Each resident will have access to optimal care and an activities program designed for their needs, interests and capabilities.

LIFE ENRICHMENT

Our community offers activities specially geared to the memory impaired population, including special outings like country rides, and birthday celebrations for residents. We also welcome volunteers who come to Harmony House to offer life enrichment activities.
