OUR SERVICES

The care that each resident receives at Langdon Hall is unique to his or her needs. Each resident is assessed upon move-in and regularly thereafter. This ensures our residents are always receiving the proper care for their needs. Our focus is on overall wellness and supporting independence.

Benefits of Assisted Living

- 1. Safety.** Our number one priority is safety of our residents, and our communities are equipped with safety railings, safety bars, and a trained staff.
- 2. Medication Management.** Through your physician's orders and our preferred pharmacy, we can take care of ordering, storing and assist with medications.
- 3. Daily Activities & Outings.** Our Life Enrichment Director gets to know each resident and adds new activities based on resident interests and likes.
- 4. Maintenance-Free Living.** Residents will never have to worry about a "honey-do" list like replacing light bulbs or landscaping, or mowing grass. We also provide weekly housekeeping and laundry services. We take complete care of the community inside and out.
- 5. Fresh, Nutritious Meals.** Every day we offer 3 nutritious and delicious meals plus snacks in our cozy restaurant-like dining area.

ROOM FEATURES

Our spacious rooms have large, sunny windows with a kitchenette, including a refrigerator, and a private bathroom with walk-in shower.

The campus is beautifully landscaped with sidewalk paths for walking and exercise. Our large covered patio is great for relaxing or gathering with friends and family. On many summer holidays, the community hosts barbeques for residents and families.
