

Living at Meadow Mills

Meadow Mills Assisted Living & Memory Care is a close-knit, and family-friendly community. Located on a quiet street in Hamden, CT, Meadows Mills is the perfect place for seniors who need dementia-specific care. Our professional and consistent staff is available 24-hours a day to provide resident services to support independence and promote overall wellness.

A Safe Neighborhood Feel...

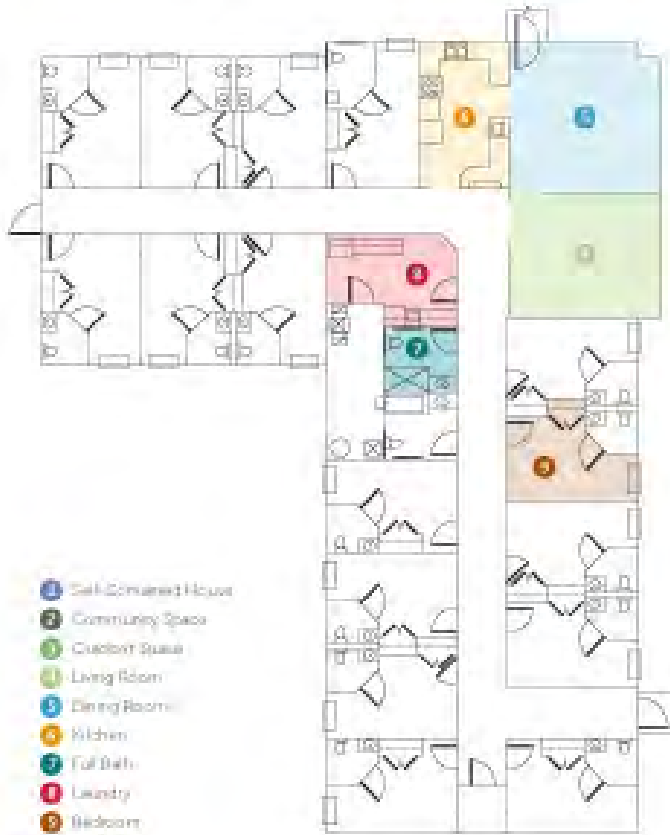

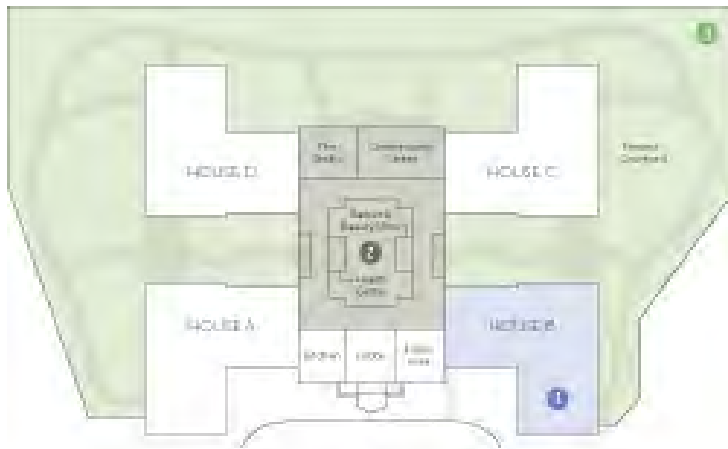

Meadow Mills was purpose-built for unique seniors who need cognitive support. The community is secure and divided into four (4) living areas, or cottages, where there is a maximum of 15 private apartments. Each cottage hosts common areas of a kitchen, dining room, and activities/living space. There are additional common areas for residents that include the life enrichment center and indoor porch patios to relax in.

In addition, our community has 2+ acres where residents can walk and relax in our gazebos and benches. The area is secure and all paths lead back to a community door.
