

Affordable Senior Care

We welcome you to Lake Meadows Senior Assisted Living community. Our community offers a luxury living experience that is both compassionate and affordable.

A Priority Life Care Community

Assisted Living & Enhanced Personal Care

Every resident who moves into Lake Meadows is treated as a respected member of our family. It is important that our residents have a feeling of connection, communication, comfort and caring.

Our knowledgeable and friendly caregivers get to know each of the residents likes, dislikes, food preferences and hobbies. With an assessment prior to admission and regularly thereafter, we determine the individual needs of our residents. This may include help with activities of daily living (ADLs) such as: dressing, bathing, hygiene, toileting, dietary oversight, and medication assistance.

Additional care services include:

- Assisted Living and Enhanced Personal Care Services
- 24/7 Compassionate, knowledgeable team on site
- Assistance with activities of daily living
- Medication reminders and management
- Emergency call systems
- Weekly on-site visits from physicians and therapy

Along the Journey Programming

We are proud to offer our unique Along the Journey program for residents who need a bit of extra care and may have a diagnosis of dementia. Created to help residents and caregivers develop trusting relationships through personalized care, we focus on individuals' unique abilities and personalities. Our Along the Journey curriculum is respected by dementia professionals across the country. Residents will enjoy an array of services and activities designed to engage seniors of varying abilities.
